magnet-Strips chaining

magnet-Strip

Multimedia strip dedicated to mounting in cable channels of office furniture. It's a perfect solution in situation where power sockets and multimedia ports might be hidden under the table top / desk.

magnet-Strip is a product which can be easily adapted to customer's needs because of the available sizes (from 2 to 9 modules), as well as applicable sockets and ports.

Another advantage of this solution is that wiring is under the table in dedicated cable trays and troughs.

Dimensions with two mounting brackets:

version	length	height	depth
2M	194 mm	45 mm	44 mm
3M	237 mm		
4M	280 mm		
5M	323 mm		
6M	366 mm		
7M	409 mm		
8M	452 mm		
9M	495 mm		

** Specified dimensions don't concern configurations with UK power sockets nor the ones without multimedia ports / USB chargers. This kind of dimensions are available on request.*

Assembly 1

When strip is mounted in the cable channel, user has access to sockets after opening the hinged panel or cable gland.

Our mounting brackets allows for installation in 4 orientations.
